

PIONEER CHARITY CHALLENGE 'TREKKING TO TOKYO'

Stop Hate UK is one of the leading national organisations working to challenge all forms of Hate Crime and discrimination, based on any aspect of an individual's identity.

They provide independent, confidential and accessible reporting and support for victims, witnesses and third parties. Hate Crime is one of the most underreported crimes in the UK and, whilst we know that reported incidents are on the rise, we also know that the number of actual incidents is way in excess of those reported.
